

Club championship 2025 results June 22nd 2025

Runners are put into age categories according to their age on 1st January 2025. Percentages for each race are calculated according to the age of each runner on race day, using the WMA Road age-grading calculator 2015: <http://www.howardgrubb.co.uk/athletics/wmaroad15.html>

This year we are bumping up the scores for off-road runs:

Off-road parkrun or other 5K– add 5%.

Off-road run up to 15.9 miles – add 10%.

Off-road run 16 to 29.9 miles – add 25%

Off-road run 30+ miles = add 50%

Once you have submitted more than 6 races, your 6 best times will be chosen. **These will be shown in red.** Remember that you can only include one race of 5K or less. At least 2 runs must be 10 miles or more **or (since 2023) off-road.**
